Call 888-589-1121
to schedule your pick up.

This guide is available in alternative formats upon request.

General Information

Hours of operation: 8 a.m.-5 p.m. weekdays
Open to people of all ages.
Call (888) 589-1121 for rides and pricing.

Rides can be scheduled on weekdays from 7am to 5pm. Because of ridership volume, please schedule at least 48 hours or more in advance. Messages concerning rescheduling, cancellations, or requesting possible ride times may be left on voicemail. Funding partners include the Indiana Department of Transportation, county commissioners/councils, agency contracts and passenger fares.

Door-to-Door and Service Policy

The driver will assist the passenger from the main entrance door of the origin to the main entrance door of the destination. It is expected that walkways, pathways, and ramps will be kept clean and clear of hazards, ice and snow. Drivers are strictly prohibited from entering a passenger’s home or any private residence unless a life-threatening emergency exists.

Unruly Passenger Policy

Disruptive, abusive, or argumentative passengers will not be tolerated on The New InterUrban vehicles. Without placing themselves or the other passenger in danger, drivers shall request the problem passenger discontinue the behavior. Passengers who continue objectional activity shall be reported to the dispatcher (who may determine to contact law enforcement officials if necessary) or taken to the nearest public place and asked to leave the vehicle. Continued repeated misbehavior will result in a suspension of service review by InterUrban management staff.

Portable Oxygen Tanks

Riders are permitted to carry portable oxygen tanks. It is the responsibility of the rider to assure portable oxygen tanks are properly secured to prevent injury.

Cancellation & No-Shows

Cancellations require one hour notice. If you are recorded as a No Show for 20% or more of your scheduled rides within a 60-day period, your service will be suspended for 10 days. You can appeal your suspension by calling LifeStream Services and asking to speak to the Transportation Manager.

Rider Rights and Responsibilities

All riders must wear shoes and shirts at all times to ride. Eating, drinking and smoking on vehicles is prohibited. Children 10 and younger must have written parental permission on file. Riders disabilities may bring service animals. Riders are only permitted to bring packages on board they can carry in one trip (limit of 5). Strollers and grocery bags or carts must be kept out of the walkways. Weapons (unless properly permitted as identified by state law), alcoholic beverages, gasoline and toxic materials are not permitted. Riders are not permitted on or off the vehicle without a driver being present. Riders must wear safety restraints at all times. Children ages 4 and younger (less than 40 pounds) must ride in a car seat. Riders failing to follow these rules may be denied a ride. The New InterUrban is not responsible for lost, stolen or damaged articles. Riders must make their schedules with the dispatch office only (not with drivers). Riders should practice good personal hygiene to respect other riders and the driver.

Donations and Tips

Donations are always welcome. Drivers, however, cannot accept tips for service. If you are interested in making a donation to LifeStream, please call (800) 589-1121.

Accessibility

Mobility device accessibility is available in all counties. The mobility devices are defined as manually-operated or power-driven devices primarily for use by an individual with a mobility disability for the main purpose of indoor or of both indoor and outdoor

locomotion. Passengers with mobility devices may use the lift. All other ambulatory riders may use the lift upon request.

Restraints Securement

All drivers and passengers regardless of age or disability must wear seatbelts when seated anywhere in a transportation vehicle. The driver will assist all passengers with securing a seatbelt, and the driver will make periodic checks to assure all seatbelts are securely fastened. All wheelchair/scooters will be secured with a four-point, tie-down method. Wheelchair riders will wear approved seatbelts. Infants and children who are either or both under the age of four (4) and weighing less than forty (40) pounds must be in an approved, properly used child safety seat while being transported. (An approved seat is one that meets federal motor safety requirements.) The child safety seat shall be secured in accordance with the manufacturer’s instructions. The passenger must furnish the child restraint system and secure the child in a forward facing seat. Drivers will not secure the child restraint system; the accompanying passenger is responsible for this securement.

Service Animal/Pet Policy

Service animals are permitted to accompany individuals with disabilities in vehicles and transit facilities. Pets can only be transported if the pet is in a pet carrier (kennel style). When the trip reservation is made, passengers must notify the scheduler/dispatcher that a service animal and/or pet will accompany the individual. Drivers are not permitted to carry the pet carrier on or off the vehicle.

Vehicle Design to Accommodate

New InterUrban vans are designed in compliance with the Americans with Disabilities Act requirements. The Americans with Disabilities Act defines a wheelchair as a three or four wheeled manual or power driven device designed for use by an individual with a mobility disability.

Inclement/Adverse Weather

Our passengers, driver and public safety are our primary concerns. During adverse weather conditions, every effort will be made to maintain operations. However, The New InterUrban reserves the right to delay or cancel operations as necessary. Announcements concerning weather delays or cancellations will be made via local media.

Personal Care Attendant (PCAs)

Personal care attendants may ride The New InterUrban at no charge. A PCA is someone who is designated or employed to assist a passenger. The scheduler/dispatcher must be advised that a PCA will be riding with the passenger during the scheduling process.

Good Customer Service Expectation

The New InterUrban places high value on being on time. However, things happen on occasion to prevent 100 percent on-time service. The New InterUrban is committed to having riders picked up no more than 15 minutes before or after the scheduled pick-up time. Riders should be ready as drivers may not be able to wait any longer than 5 minutes past the scheduled pick-up time to leave for the next destination. The New InterUrban will make every attempt to assure riders are dropped off at their destinations no more than 15 minutes before or after the scheduled drop-off time. Any changes will be communicated to the rider. It is always the goal to drop off riders at the requested drop-off time. The New InterUrban staff is committed to providing courteous, friendly, and prompt service. Voice mails and emails are checked at least once an hour, and all calls are returned within one (1) hour during regular business hours.
